

A Holiday Toast at the Lyman Estate

Sasha Callahan, violin
Megumi Stohs Lewis, violin
Alexander Vavilov, viola
Leo Eguchi, cello

A joyous program spanning the centuries, *A Holiday Toast* offers peaceful moments of contemplation and celebratory numbers sure to get your toes tapping. Alongside seasonal gems like Corelli's *Christmas Concerto* and Vivaldi's *Winter*, the players share music that brings them joy each winter, including traditional Danish, Irish, and Ukrainian tunes, and childhood favorites from *A Charlie Brown Christmas* and a beloved 1983 New Year animated film from Ukraine.

We've had such a great time choosing music that captures what we love most about this time of year, from the natural reflex to turn inward for reflection and repose on these short days, to the need for celebration and warmth and hope. We hope you enjoy it as much as we do, and that this music brings you comfort and light.

~ Megumi, Sasha, Alex, and Leo
